The perfect mix
The European Manufacturing Strategy Summit provides an international forum for manufacturing leaders to share and discuss the best way forward in this new world.

Quality content
The agenda is packed with carefully selected talks on topics as diverse as the challenges you face.

Invaluable networking
The Manufacturing Strategies community is open, friendly and represents an incredibly valuable network of professionals working at the forefront of their field. There is ample networking time built in to help you make and strengthen connections.

Tailor your experience
2 parallel streams give you the chance to personalise your agenda and delve deep into the topics pertinent to your challenges. Choose from Industry 4.0 and Technology, Lean & Operational Excellence, Advanced Production Strategies, Quality & Safety Management, and Leadership & Workforce Development.

The right size
This year the European Manufacturing Strategies Summit will be limited in order to maintain the quality of the networking and comfort for participants. This means that there will only be a small amount of delegate tickets available. So, don’t waste time in getting yours.

KEY THEMES
- Manufacturing During a Health Crisis: How can you Safeguard Production and Productivity?
- Understanding and Enabling a Digital Twin
- Why is it Crucial to Lay Solid Foundations for Information Management in Order to Optimise Industry 4.0 Programmes?
- How can you Prepare your Factory for a Future In Automation?
- Continuous Improvement: How to Drive and Sustain Success
- How to Create the Organisation for Managing a Change of Mindset in a Multi-Site Company
- Delivering Outstanding Results by Implementing a Business Excellence Model
THE VIRTUAL EXPERIENCE

PERSONALISED AGENDA
Create your personalised agenda and receive reminders throughout the event. Book conference sessions, panel discussions or meetings with suppliers and view your planned activity all in one place.

LIVESTREAM CONTENT
EMS Virtual includes 3 days of live and on-demand content. Hear expert speakers discuss vital developments and challenges live from anywhere in the world and participate via chats, polls and Q&As during each session.

NETWORK & ENGAGE
Share your experiences in event group chats. Ask questions and discuss your needs with suppliers via direct messages. Discuss ideas with expert-speakers and the community in dedicated conference session chats.

CONNECTION MATCHMAKING
View a selection of AI-recommended "people you should meet". Visit the profiles of suppliers and speakers that are of interest to you, send connection requests and book virtual one-to-one/group meetings.

VIRTUAL BOOTHS
Discover market-leading suppliers and visit their virtual booth to find out more or get in touch. Narrow your search with advanced filters such as region or product category to help find suppliers most relevant to you.

PRODUCT MARKETPLACE
Discover, compare and source products and services at the EMS Virtual product marketplace.
