  - Publicity, marketing and the role of social media **James Martin** UK
  - Panel discussion
- 12:00-12:15 **Satellite symposium**, kindly sponsored by **Zeiss**  
**Experience in breast and lymphoedema surgery**  
**Ines Tinhofer** Austria
- 12:15-12:45 **Keynote Address: Shifting paradigm in breast cancer treatment**  
CHAIR: **Jian Farhadi** UK & Switzerland  
**Virgilio Sacchini** USA
- 12:45-13:45 *Lunch and exhibition viewing*

- 13:45-14:15 **Breast cancer diagnostics**  
CHAIRS: **Isabel Rubio** Spain, **Alberto Rancati** Argentina
- Is mammography still the standard of care in screening? **Nasia Papachristodoulou**, Hungary
  - Detection of recurrence following breast reconstruction **Constanze Elfgen**, Switzerland
  - Discussion
- 14:15-14:35 **Satellite symposium**, kindly sponsored by **AstraZeneca**  
**Genomic testing: surgery and beyond**  
**Henry Cain**
- 14:35-15:45 **Lymphoedema updates: what works in my hands**  
CHAIRS: **Koenraad van Landuyt** Belgium, **Sinikka Suominen** Finland
- Reverse mapping in ALND **Isabel Rubio** Spain
  - Targeted lymphatic axillary repair **Gemma Pons** Spain
  - Lymph interpositional flap transfer **Takumi Yamamoto** Japan
  - Physiologic procedures and combined approaches **Edward Chang** USA
  - Patient selection in reduction techniques for lymphoedema **Dung Nguyen** USA
  - Discussion
- 15:45-16:15 *Refreshments and exhibition viewing*
- 16:15-17:30 **Implant reconstruction**  
CHAIRS: **Mark Ho Asjoe** UK, **Alanna Rebecca** USA
- Is hypofractionated radiotherapy conducive with implant reconstruction? **Suzy Cleator** UK & **Peter Cordeiro** USA
  - The use of non-anatomical implants in pre-pectoral reconstruction **Claudia Albornoz**, Chile
  - Replacing shaped implants with round implants: surgeon and patient reported outcomes **Peter Cordeiro**, USA
  - Do we really need meshes in pre-pectoral reconstruction? **Mihye Choi** USA
  - Discussion
- 17:30-19:30 **LBM Welcome Reception**, kindly supported by **Endomag**

**Friday 9 September**

06:45-07:45 **LBM Run through Regent's Park**, kindly sponsored by **Motiva**

07:00-08:00 Registration and refreshments

08:00-10:15 **Parallel Sessions** (please choose to attend either A or B below)

**Parallel Session A: Single stage autologous breast reconstruction**

08:00-08:45 **Efficiency, ergonomics and logistics**

CHAIRS: **Jian Farhadi** UK & Switzerland, **Venkat Ramakrishnan** UK

- Training in microsurgery: breeding the efficient microsurgeon **Takumi Yamamoto** Japan
- Day case free flaps? **Adam Blackburn** UK
- Advances in microscopes and robotics **Edward Chang** USA
- Flap monitoring in buried flaps **Mark Ho Asjoe** UK
- Discussion

08:45-09:05 **Panel discussion: When size matters – increasing the volume in autologous reconstruction**

CHAIRS: **Koenraad van Landuyt** Belgium, **Sinikka Suominen** Finland  
**Maurice Nahabedian** USA, **Venkat Ramakrishnan** UK, **Eric Santamaria**, Mexico

09:05-09:40 **Refinement of autologous breast reconstruction**

CHAIRS: **Dung Nguyen** USA, **Edward Chang** USA

- Achieving projection in the delayed reconstruction **Eric Santamaria** Mexico
- Strategies to reduce fat necrosis **Gemma Pons** Spain
- The sense and nonsense of flap neurotisation **Koenraad van Landuyt** Belgium
- Discussion

09:40-10:15 **Panel discussion: Making the decision on symmetrisation surgery: when, who, what?**

CHAIRS: **Gemma Pons** Spain, **Mark Ho Asjoe** UK  
**Dung Nguyen** USA, **Sinikka Suominen** Finland, **Koenraad van Landuyt** Belgium,  
**Alanna Rebecca** USA

**Parallel Session B: Oncological surgery**

08:00-08:55 **Mastectomy**

CHAIRS: **Virgilio Sacchini** USA, **Constanze Elfgen** Switzerland

- Key factors for aesthetic nipple sparing mastectomy **Mihye Choi** USA
- Preservation of sensation in mastectomy **Alanna Rebecca** USA
- Sentinel node biopsy: is the blue dye archaic? **Ashutosh Kothari** UK
- Incomplete DCIS margins: what's next? **Isabel Rubio** Spain
- Discussion

- 08:55-09:40 **Oncoplastic surgery**  
CHAIRS: **Isabel Rubio** Spain, **Claudio Angrigiani** Argentina
- Oncoplastic surgery in multifocal and multicentric breast cancer **Ashutosh Kothari** UK
  - Breast conserving surgery defect management **Alberto Rancati** Argentina
  - Immediate fat grafting in breast conserving surgery **Cornelia Leo** Switzerland
  - Discussion
- 09:40-10:15 **Round table discussion: Breast conserving surgery in breast augmented patients**  
CHAIRS: **Ashutosh Kothari** UK, **Alberto Rancati** Argentina  
**Suzu Cleator** UK, **Claudia Albornoz** Chile, **Peter Cordeiro** USA, **Cornelia Leo** Switzerland
- 10:15-10:45 *Refreshments and exhibition viewing*
- 10:45-11:15 **Keynote Address: My perforator flap journey for the breast**  
CHAIR: **Jaume Masia** Spain  
**Claudio Angrigiani** Argentina
- 11:15-11:25 **Satellite symposium**, kindly sponsored by **GC Aesthetics**  
**Rationale and Surgical technique using round smooth opaque implants (PERLE™)**  
**Taimur Shoaib** UK
- 11:25-11:35 **Satellite symposium**, kindly sponsored by **Meccellis**  
**Decellularised tissue in breast reconstruction: The pathway to a non-silicone breast implant**  
**Laurent Lantieri** France
- 11:35-12:30 **LBM Free Paper Session: Innovations in oncological, aesthetic and reconstructive breast surgery**  
CHAIRS: **Mihye Choi** USA, **Adam Blackburn** UK
- Underestimated risk of involved margins in skin (SSM) – and nipple sparing mastectomies (NSM): intraoperative sonography and intraoperative MRI as tools for improvement **Stefan Paepke** Germany
  - Bilateral anterolateral thigh myocutaneous flaps for giant complex chest wall reconstruction **Dajiang Song** China
  - Dual layer rotation: A versatile therapeutic mammoplasty technique **Sarianna Joukainen**, Switzerland
  - Extreme oncoplasty: think beyond mastectomy **Lubna Vohra**, Pakistan
  - A three-pedicle dermal flap: Bridging NAC sparing mastectomy and breast reduction, while ensuring survival of the nipple **Georgia Koulerman**, Cyprus
  - Managing no-drain mastectomy with closed incision negative pressure wound therapy using full-coverage foam dressings **Andrew Pieri** UK
  - Exclusive lipofilling for secondary mammary reconstruction as a gold standard for breast reconstruction **Kais Razzouk** France
- 12:30-13:30 *Lunch and exhibition viewing*

[www.londonbreastmeeting.com](http://www.londonbreastmeeting.com)

- 13:30-14:00 **Keynote Address: Breast implants in the USA: a 30 year perspective on adaptation**  
CHAIR: **Marlene See** UK  
**Maurice Nahabedian** USA
- 14:00-14:20 **Satellite symposium**, kindly sponsored by **Integra**  
**Impact of ADM technology in breast reconstruction**  
**Ash Mosahebi** UK
- 14:20-15:05 **Transferable skills for the reconstructive and aesthetic breast surgeon**  
CHAIRS: **Steven Teitelbaum** USA, **Claudia Albornoz** Chile
- Planning of the NAC position over an implant **Alberto Rancati** Argentina
  - Improving the yield in lipofilling **Alanna Rebecca** USA
  - Lipofilling around a breast implant **Alexandre Munhoz** Brazil
  - Discussion
- 15:05-15:30 *Refreshments and exhibition viewing*
- 15:30-16:00 **Panel discussion: Refining shell and shape: Why can't we have implants specific for aesthetic surgery?**  
CHAIRS: **Jaume Masia** Spain, **Maurice Nahabedian** USA  
**Charlie Pillans** Q Medical, **Pierre Gengembre** Sebbin, **Juan José Chacón-Quirós** Motiva, **Carlos Reis Pinto** GC Aesthetics
- 16:00-16:20 **Satellite symposium**, kindly sponsored by **BD Galaflex**  
**How to achieve reliable stability in the lower pole of the breast**  
**Jaume Masia**, Spain
- 16:20-16:40 **The legacy of John Tebbetts**  
CHAIR: **Jian Farhadi** UK & Switzerland  
**Steven Teitelbaum** USA
- 16:40-19:30 **Networking Reception**, kindly sponsored by **Synovis**

### Saturday 10 September

- 08:30-09:00 Registration and refreshments
- 09:00-10:00 **The changing trends in breast augmentation**  
CHAIRS: **David Ross** UK, **Eric Santamaria** Argentina
- The paradigm change from dual plane anatomical vs subglandular composite  
**Charles Randquist** Sweden
  - Explantation and management of the capsule **Alberto Rancati** Argentina
  - Management of implant fatigue: removal without replacement **Steven Teitelbaum** USA
  - Revision breast augmentation: regaining control of the pocket **Marc Pacifico** UK
  - Discussion

[www.londonbreastmeeting.com](http://www.londonbreastmeeting.com)

- 10:00-10:40 **Adjuncts in aesthetic breast surgery**  
CHAIRS: **Alexandre Munhoz** Brazil & **Giulia Lo Russo** Italy
- The Medispa experience **Charles Randquist**, Sweden
  - Scar management **Jorge Leon Villapalos** UK
  - Discussion: Non surgical rejuvenation of the breast: does it exist? **Charles Randquist** Sweden, **Jorge Leon Villapalos** UK
  - Discussion
- 10:40-11:10 *Refreshments and exhibition viewing*
- 11:10-12:10 **Aesthetic reshaping of the breast and body in special groups**  
CHAIRS: **Marc Pacifico** UK & **Steve Teitelbaum** USA
- Surgical planning for the post partum woman **Charles Randquist** Sweden
  - Surgical planning for the woman with massive weight loss **David Ross** UK
  - Surgical planning for transgender surgery (female to male) **Giulia Lo Russo** Italy
  - Surgical planning for transgender surgery (male to female) **Sinikka Suominen** Finland
  - Discussion
- 12:10-12:35 **Roundtable Discussion: Long term implant surveillance from the perspectives of the clinician and the industry**  
CHAIRS: **Charles Randquist** Sweden, **Maurice Nahabedian** USA  
**Steven Teitelbaum** USA, **Alexandre Munhoz** Brazil, **Peter Cordeiro** USA
- 12:35-13:05 **Surgical pearls from the Faculty**  
CHAIRS: **Jaume Masia** Spain, **Marlene See** UK  
**David Ross** UK, **Mihye Choi** USA, **Charles Randquist** Sweden, **Maurice Nahabedian** USA Sweden
- 13:05-13:15 **Summary and closing comments**
- 13:15-14:00 **Lunch and close of meeting**
